SANGIOVESE

WALLA WALLA VALLEY

Beautiful, dark red color. The nose exhibits a gorgeous potpourri of flowers, thyme, and crushed raspberries. On the palate, the wine is remarkably fresh and clean with notable levity and lightness of being, all while retaining surprising intensity and density. I simply love the unique way that Sangiovese can achieve this! The tannin is wonderfully fine-grained and the acid matches perfectly. Sangiovese is our most challenging grape to farm—my favorite, and this is why!

TASTING NOTES

VINEYARDS IN THIS WINE
Pepper Bridge
Seven Hills
Mill Creek Upland

AGING PROFILE
Aged 22 months in
mostly neutral French
oak and large French
oak oval botti

BLENDED DETAIL
Sangiovese 92%
Syrah 8%

PRODUCTION
809 cases

WINERY RETAIL
\$60
