RESERVE

WALLA WALLA VALLEY

Impenetrably dark magenta. A beautiful and precise nose of graham cracker, mixed high-tone florals, ripe fruit, and hints of honey. Palate is silky smooth, incredibly dense and plush, loaded with ripe fruit and buttressed by fine grained tannin and a very long finish. Simply pleasurable to sit on the palate. Overall this wine is more youthfully restrained than the Cabernet with laser focus and purity. I think this wine will really blossom over the next five years and reward as much cellaring as its owner is willing to allow.
