

2010

# SANGIOVESE

WALLA WALLA VALLEY

*Very dark color that any Brunello from the finest of vintages would envy. The nose bursts with bright, freshly macerated ripe strawberries and Bing cherries. There is a sense of stoney minerality that I positively love. On the palate, reserved sweet fruit. Ripe and plentiful “Brunello” style tannin. Possessing beautiful precision and focus, this Sangiovese epitomizes leanness and power. A paradox in a glass! Being my “dream vintage”, the 2010 Sangiovese may be our finest to date and will age for decades if you can keep your hands off it.*

---

TASTING NOTES
