

2013

RESERVE

WALLA WALLA VALLEY

Our goal every year with Leonetti Reserve is to produce the single monumental bottle representative of Washington State and the beloved Walla Walla Valley. This year's Cabernet dominant blend has a stunning nose of tar, iron minerality, cassis, and dried flowers ~ especially lavender. On the palate, the wine is powerful and pure, repeating the note of cassis liqueur and black olive compote. All the elements of fruit, acidity, and tannin are perfectly balanced, ensuring a lengthy cellaring life if you have the patience to hide it in your cellar.

TASTING NOTES

VINEYARDS IN THIS WINE
Seven Hills
Loess
Mill Creek Upland

AGING PROFILE
22 months in new and
once filled French oak
barrels

BLENDING DETAIL
81% Cabernet Sauvignon
